

The Wenlux® Recessed Platform provides multi-function fine lighting flexibility. Options include the renowned Wenlux Framing Projector, Accent Light and Wash Light. The Adjustable Ceiling Collar accommodates ceiling thicknesses ranging from 5/8" to 1 7/16". Accessory flush trim flanges are available for a seamless, flush to ceiling, field-paintable trim finish.

Each platform comes prewired with quick disconnects to modular components. A quiet toroidal transformer delivers stable, near 120 volt power using dimmed or switched quick disconnect taps. Up to 50 Watt IR Lamps having 75 Watt performance are compatible in this energy efficient recessed platform.

How to Specify

Refer to Recess Housing Placement sheets to determine Projector or Wash Light Locations. For Specification assistance, call or email info@wendelighting.com. Staff members are also available for jobsite consultation on a fee basis to assist in Wendel® product specification.
